Choose **10** songs. Only pick songs **YOU WILL DANCE TO**. **Keep it simple. DON'T choose too many songs. I WILL NOT have time to play!**

Please be sure to **CIRCLE** all special dance songs. i.e. "Intro song", "first dance" "parent dances", "cake cutting song", or "last dance" so they are not confused for your general dancing songs.

Scan or take picture of music list and attach to an email.

You **DON'T** have to choose every song. Tommy will read your crowd. Leave some breathing room for guests to make requests : -)

Place arrow ➔ next to your **MUST PLAY** favorite songs. **CROSS OUT** ⊗ Do Not Play Songs.
